

# 34ac Burton Loop Rd. Tract

Etowah County | \$ 90,000

## HIGHLIGHTS

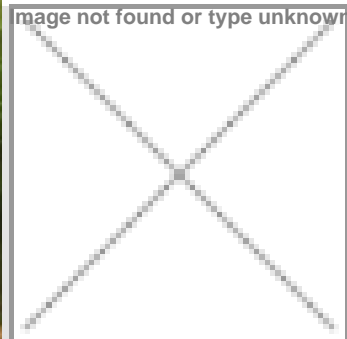

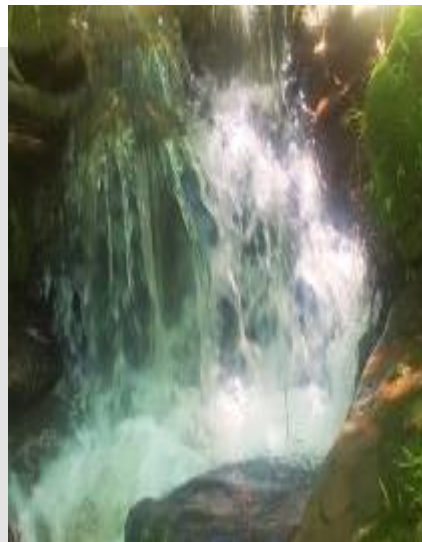

- 1. Beautiful Timber
- 2. Large Creek
- 3. Close to Town
- 4. Good Wildlife

## DESCRIPTION

This 39+/- acre tract just outside of Altoona is a real treasure. It has been in the same family for generations as have all the neighbors. It has a good mix of tall merchantable pines and large hardwoods. There is a good creek running through one quarter of the property. The tract has deeded access from a well-maintained county road. The area is known for trophy deer and turkey and the tract is covered with signs of both. This tract is just off of SR-132 putting you minutes from Gadsden and Birmingham. This would make a great location for a getaway home close enough to town for the daily commute. Quiet country living with conveyance of town. This tract can viewed by appointment only. For appointments call Heath at 205-240-3982 or [heath@tuttland.com](mailto:heath@tuttland.com)
